Draft answer

(a), (b) and (c): In May 1950, the Government have approved a scheme of improvements to the Government Hospital, Coondapoor, at an estimated cost of Rs.75,000. In 1951-52, provision ~~may~~ of Rs.72,000 was made for this work in the Budget Estimate for 1951-52, but the major portion of it could not be utilised in view of the decision of Government to reduce expenditure on all building schemes included in "capital account of Civil works" during that year and the consequent slowing down of work in all building schemes. Steps will be taken to push through the work. ~~during 1952-53 as far~~

* 147 *Q.*—SRI Y. MANJAYA SHETTY: Will the Hon. the Minister for Health be pleased to state—

(*a*) whether any proposal for effecting improvements to the Headquarters Hospital in Coondapoor, South Kanara district, is pending before the Government;

(*b*) if so, for how many years; and

(*c*) what steps the Government have taken in the matter?

THE HON. SRI A. B. SHETTY:—"(*a*) *to* (*c*) In May 1950, the Government have approved a scheme of improvements to the Government Hospital, Coondapoor, at an estimated cost of Rs. 75,000. In 1951–52, a provision of Rs. 72,000 was made for this work in the Budget Estimate for 1951–52, but the major portion of it could not be utilized in view of the decision of Government to reduce expenditure on all building schemes included in 'Capital account of Civil Works' during that year and the consequent slowing down of work on all building schemes. Steps will be taken to push through the work."

SRI Y. MANJAYA SHETTY: 'May I know whether the work on improvements will be taken up and completed at least in this official year in view of the fact that a large number of patients have to be refused admission into the hospital for want of accommodation?"

THE HON. SRI A. B. SHETTY:—"Yes, Sir. A sum of Rs. 42,000 has been provided in the present Budget on this account."

SRI PILLALAMARRI VENKATESWARLU:—"May I know what the steps are that the Government intend to take to admit a large number of patients into this hospital?"

THE HON. SRI A. B. SHETTY:—"Certain improvements are being made."

SRI T. VISWANATHAM:—"The Hon. Minister was pleased to say that a provision of Rs. 42,000 has been made in this year's Budget. I do not think that a provision satisfies any one. He said that a provision of Rs. 75,000 had been made previously and the work was stopped. The question put by Mr. Shetty was whether the work would be taken up and pushed through this year. I would like to have an answer to this question."

THE HON. SRI A. B. SHETTY:—"A portion of the work has already been finished. This amount has been provided for finishing the rest of the work."

SRI C. PULLA REDDI:—"In view of the lapse of the provision last year, may I know whether the allotted amount this year will be completely spent on the work?"

THE HON. SRI A. B. SHETTY:—"I hope so."

In G.O.No.1428 Health dt:24-4-50, the Government have approved a second instalment of schemes of improvements to the Taluk Headquarters Hospitals for 1950-51, including the ~~following~~ improvements to the Govt. Hospital, Coondapoor mentioned on the margin at an estimated cost of Rs.31,300. Administrative sanction has been accorded for Rs.75,000. No expenditure was incurred on it during 1950-51. A provision of Rs.72,000 was included in the B.E. for 1951-52, but in view of the general instructions to the C.E. to slow down expenditure on building schemes, much of this provision would not have been utilised. A provision of Rs.42,000 has been included in the B.E. for 1952-53.

A draft answer is submitted for approval.
